Acceptance Letter

To

To

The Principal / Coordinator
Jeppiaar Engineering College, Chennai.

Respected Sir/Madam,

Greetings from Make Labs & Make Vision.

I sincerely thank you for inviting our organization to conduct a 15-hour industry-oriented course for your PG students. We are pleased to accept your request and are happy to collaborate with your institution for this program.

We appreciate your initiative to provide students with practical industry exposure, hands-on learning, and knowledge of current technologies. Our team will be glad to deliver sessions covering industry practices, real-time project development, and emerging technologies to enhance the technical and professional skills of the students.

We also agree with the proposed hybrid mode (online and offline) and the schedule on Saturdays, which will allow effective interaction between students and industry experts.

Kindly share the detailed schedule, preferred topics, and other requirements, so that we can plan the sessions accordingly. We look forward to working together to provide a valuable learning experience for the students.

Thank you for your trust and collaboration.
